We are grateful for your participation and will try to give you as much support from our volunteers as possible (i.e. restocking basic paper products, emptying your trash, providing your staff with beverages and anything else that's necessary). Our goal is to make your day as easy as possible.

The following information should help you with your preparation and staffing. This is a 5 hour event and we are expecting 3000 to 6000 people to attend, if not more.

The other 50% will be used to cover costs and a percentage distributed to a local charity as well as used by the GBA for future events
